To Whom It May Concern,

This is a letter of recommendation for Ms. Mary Francen, I had the pleasure in having Mary as one of our employees for 2 ½ years. She has very good work ethic, and her customer service skills are outstanding. Mary is very good on the phone as she was a dialer for our company; her conversion rate was well above average.

We wish Mary all the best and when her next employer hires her, they will be Very Lucky to have her on their team. Please do not hesitate to contact me.

Sincerely,

Derek DeGutis
